Villa Soup Containers and Lids

Dual layer soup cups have the added benefit of an air pocket of insulation. It keeps beverages hot and hands at a comfortable temperature.

Our soup containers are made from the highest quality paper-board and are poly-coated lined, which keeps food warm and moisture resistant, when used with our translucent polypropylene lids. The soup containers have tightly rolled rims, that ensure the lids stay on tightly, which protects the contents from spilling out.

- Soup containers and matching PP lids are packed 500 per carton
- Ideal for take-out meals from restaurants, deli's, cafe's, etc.
